WELCOME!

Thank you for choosing our dental practice! We look forward to working with you!

Your initial visit will take about 1 ½ hours to complete. First, we will complete a comprehensive dental exam. Treatment options, fees and insurance coverage will be discussed at this time, we will then assist you in making appointments. As a courtesy to our patients with dental insurance, we will assist you in receiving benefits by submitting your claims directly to your insurance company. Please help us by providing your insurance card, along with the name, birth date and social security number of the subscriber. This information will help our staff verify your dental eligibility and benefits.

Fee and Payment Policy

To help control costs, we require patients without insurance to pay in full at time of service. Patients with insurance must pay their estimated patient portion at the time of service. All major treatment involving a laboratory procedure will require payment prior to treatment. The fees quoted on the treatment plan are good for 30 days from the date of diagnosis.

Missed Appointments and Late Cancellations

In order to provide the best possible service to our patients, we use the highest quality materials, and hire the best staff. We request that you notify our office at least 24 hours in advance if you are unable to keep your appointment. If you or a member of your family miss 3 (three) appointments, you may be dismissed from the practice. We do understand that occasional situations may arise however there may be a \$50.00 charge.

The best relationships develop with open communication. Please feel free to ask questions at any time about your treatment, fees or our office policies. Again thank you for the trust you have shown us by selecting our office, and please tell your friends and family members that we always welcome new patients.

Thank you for your help,

**Sincerely,
Dr. Currie and Staff**
