### **Insurance Information and Financial Policy**

We realize understanding your insurance coverage can be quite challenging. We do our best to verify your eligibility and benefits available to you at the time of your appointment; this is not a guarantee of payment. Unfortunately, detailed information is not always disclosed by your insurance company. We encourage you to become familiar with your policy's exclusions, deductible, frequency limitations and required co-insurance if any. It is the patient's responsibility to ensure correct and complete insurance information on or before the date they are to be seen; and that all available insurance is given to our office to ensure complete billing. David Currie D.D.S and Kimberly Currie D.D.S. are preferred providers for Atena and HMK (Chip) dental insurances.

Our Receptionist will **estimate** your portion due, prior to treatment based on the information obtained from your insurance company and at the end of your visit you will receive a treatment plan outlining our estimate. Please understand that after your insurance has processed your claim, that there may be a remaining balance left on your account. ***The remaining balance is due and payable at the time you receive your statement.***

I hereby authorize River's Edge Dental to release to my insurance company, any information acquired in the course of my care; I understand that I am responsible for any balance left after my dental insurance has processed my claims.
